

## Cylchlythyr – Newsletter – 01.03.2024

Dear parents and carers,

There is certainly a special feel across the school this morning as we start to enjoy our St David's Day celebrations. These are always a special part of our school calendar, but are certainly going to be made even more special this year. Please do keep watch of our social media feeds, channels and Class Dojo as the day progresses for more information!

I will not be in school next week as I am undertaking an inspection in South Wales. Whilst being away from school is never ideal for me, this work brings valuable revenue into school to ensure we have the tools and resources to deliver the very best for your children. It also gives opportunity for us to see new and emerging practice which I can bring back to support our own school improvement journey. Should you need anything in my absence, please contact Mr Holmes through the school office. I hope you have a lovely weekend.

Diolch, Mr Hatwood.

## Blwyddyn 6 - Climate Change

Pupils have been busy practising their Climate Change raps in preparation for a rap battle this week!

## Active Travel

We welcomed some of our previous Active Travel Champions from Darland to speak to our Year 6 pupils about ways they can still have active journeys when they move on to high schools in September. The Darland pupils shared how they cycled, walked or did a 'bus and stride' to keep active. Simple ideas like getting off the bus a stop early and walking the rest of the journey or meeting friends at the park and walking into school after some exercise were some of the things our pupils thought they might be able to do.
