## Cylchlythyr – Newsletter – 27.06.2025

Dear parents and carers,

It has been another busy week in school with our pupils enjoying their transition day on Thursday. It was lovely to see such a calm and purposeful environment across the school and we hope that pupils enjoyed their day.

With the Summer Holiday approaching, please remember bookings for Summer Holiday Club will close on **Monday 14<sup>th</sup> July at 10am**. Please don't miss out on your chance to access this provision.

As we come to the end of the school year, we must share news of a couple of members of staff who are going to be leaving us. **Mrs Sue Price** who has been one of our Mid-Day Supervisors for many years will be taking early retirement and **Mr Mick Barnett** who has our caretaker for many years is moving on to pastures new. We would like to thank them both for their service over many years, wish them well for the future and look forward to celebrating their time with us over the next few weeks.

We have changed the format of our newsletter for a focus on each team every week, this week, we start with our Early Years! (There may still be a snapshot from our other classes too!) I hope you have a lovely weekend and thank you again for your support.

**Diolch, Mr. Hatwood**

## Blwyddyn 3 & 4 - Open University

Dosbarth Abertawe had the pleasure of welcoming Mrs Stanbury from the Open University this week. She showed the pupils how photos are taken and how they can be used as a tool for learning and sharing work. To start off the pupils worked in pairs to navigate four virtual escape rooms based on the women in science we have been learning about. They had to use their knowledge to answer questions and solve problems using clues to unlock each of the rooms. Then they had a go at cloning one of the rooms and adding their own information, questions, audio and videos. Finally they used generative AI to create a room of their own - this time a rainforest where they were sharing information they have learned about Alfred Russel Wallace. All in all a wonderful morning full of learning and next week the children will be sharing their new skills and knowledge with the other Year 3&4 classes.
