Cylchlythyr - Newsletter - 16.01.2026

Dear parents and carers,

We have had an extremely busy week in school this week, with so many exciting learning and enrichment activities taking place across our school. It was lovely to welcome so many parents and carers to our **Mathematics and Numeracy Open Week**, and we hope that you found the sessions useful and informative. Our Summer Term sessions will focus on **Language, Literacy and Communication** and we look forward to engaging with you to show more of how we approach teaching and learning in our English, Welsh, French and Mandarin sessions!

I am incredibly proud of our **Breakfast & Teatime Club** Team who have been working hard this week to further enhance and develop this important part of our school provision. We have an **Open Week for Breakfast & Teatime Club** on **26th January - 30th January 2026** and look forward to welcoming you into the setting then.

Next week, we look forward to our Year 5 pupils visiting **Glan Llyn**, we know they will have a great time, and I look forward to calling up to see how they are all getting on.

We shared a questionnaire around **parent and carer engagement** before Christmas and will be sharing some changes we will be making to improve **Pupil Progress Evenings** (Parent & Carer Evenings) in the next few weeks alongside a further questionnaire to help us further improve our **school reports** and how we share the best possible progress information with you. I hope you have a lovely weekend.

Diolch, Mr Hatwood

Blwyddyn 1&2 - Mathematics & Numeracy

Pupils have been busy finding out about symmetry this week and using resources to create patterns and shapes which show symmetry.

With respect, friendship and care, we learn here and succeed anywhere

Blwyddyn 1&2 - Discovery Day

As part of their new unit of work 'Superheroes' pupils in Year 1 and 2 enjoyed a Discovery Day recently where they were introduced to their new class text, Super Tato. They engaged well in the session and came back with lots of ideas on how their new unit of work will develop!

Governing Body - Self Evaluation Workshop

It was a pleasure to welcome members of our school Governing Body into school this week as part of their ongoing work to support self-evaluation processes at school.

During the session, Governors considered their role, how they contribute to school improvement and how they can further support, challenge and help the school to improve.

Following completion of the audit, an action plan will now be formed with key actions in place which our Governing Body will take forward over the new few months.

We are all very grateful for the continued support of the Governing Body.

Breakfast & Teatime Club

We have a busy week planned in Teatime Club next next week! Please do make sure you book online by 10am today for next week. We also appreciate payment being made promptly for sessions, to ensure we are able to confirm all places requested.
