Dear parents and carers,

We have had a wonderful first full week back at school with so much going on right across the school! Our Year 3 and 4 pupils had a wonderful visit to Little Moreton Hall yesterday, we look forward to sharing the photos of their visit next week. We had excellent attendance across our Welcome Meetings this week, thank you for coming along. For those who were not able to attend, the presentations shared can be found on our school website, please do make sure you see them for the key information shared.

Our pupils have all returned to school looking incredibly smart, thank you for your support in ensuring they attend in full school uniform and the relevant kit for P.E. sessions and Forest School sessions. I have been very impressed with pupils engagement in P.E. lessons and Forest School in particular this week. We are very fortunate to have such an experienced and professional team delivering these specialist sessions for our pupils, the engagement and positive attitude shown by pupils during these sessions is a testament to that!

Please do subscribe to our school website calendar to keep up to date with all key activities and dates, we add things here with as much notice as possible to support everyone in forward planning. Please do complete our Parent/Carer questionnaires which are currently live, links have been shared via SeeSaw! Have a lovely weekend. **Diolch, Mr Hatwood**

The Marathon of Hope was Terry Fox's inspiring cross-Canada run in 1980 to raise awareness and money for cancer research. After losing his right leg to cancer, Terry set out to run a marathon a day, every day, starting in St. John's, Newfoundland. He covered more than 5,000 km in 143 days before his cancer returned and forced him to stop near Thunder Bay, Ontario. Though he could not complete the journey, Terry's courage and determination sparked a lasting movement and today, millions of people around the world continue his legacy through the annual Terry Fox Run, raising billions for cancer research.

This year we are promoting the fun run to be held in Wrexham in aid of the Institute of Cancer Research here in the UK. It is a 5km run but you can walk as there is no pressure to compete. The main aim is to raise awareness of this particular charity. Last year we had the pleasure of hosting Terry's brother, Fred, to share the story of Terry and all that he accomplished in a short space of time: a very moving experience.
