Dear parents and carers,

It has been a very busy week across our school and I remain inspired by the huge wealth of activities that are offered to pupils. Our **curricular and extra-curricular offerings** really are something we should all be very proud of.

This week it has been a pleasure to take a fabulous group of **Year 6 pupils over to Iceland** to our partner school, Varmarskoli. This Taith funded visit aims to open doors, expand horizons and develop pupils' knowledge, skills and understanding. From seeing the pupils' engagement all week, I can certainly say it has achieved all of this, and so much more! Overseas and residential visits, our enrichment programmes and the wider opportunities pupils receive can only happen with the support of our staff (Both those undertaking the visit, and those keeping school running smoothly) and our Governing Body, and I am incredibly grateful to everyone for helping create these unique, life changing opportunities for our pupils.

We look ahead to our **Year 6 visit to London** on Monday with excitement, it is always an annual highlight and a fantastic way to celebrate the end of our Year 6 pupils' time with us at All Saints' School. I am sure they are all excited and ready for the adventures which lie ahead!

Could I take this opportunity to remind all parents and carers of the **NHS Public Health** isolation periods for illnesses. When a pupil is sent home following being sick in school, **regardless of the reason**, the 48 hour isolation from school period must apply. Please do not put yourselves, or school staff in a difficult situation by not following this guidance and us having to contact home for pupils to be collected. . We hope you have a lovely weekend. **Diolch, Mr Hatwood**

Blwyddyn 6 – Icelandic Adventures

It has been a privilege to take such a wonderful group of Year 6 pupils to Iceland this week. Their behaviour, engagement and attitude has been exemplary, and they have been a delight from start to finish!

Blwyddyn 3&4 - Humanities

In Humanities, pupils have been learning about the climate of a tropical rainforest and comparing this to our own climate here in Wales. The work they have done in maths, collecting data from other classes and creating bar and line graphs has allowed them to use their skills across the curriculum to develop their understanding.

Blwyddyn 3&4 - Ashgrove Care Home Visit

Dosbarth Powis enjoyed a special visit to Ashgrove this week. Pupils always enjoy our care home visits and spending such important time with the residents.

Blwyddyn 3^e4 - Mathemateg

This week, pupils have been busy finding out all about the time! They have practised o'clock and half past the hour, by exploring a range of clocks outside. This will help them to feel confident when reading analogue clocks.

Old Trafford - Cricket Visit

We had a wonderful visit to Old Trafford Cricket Ground on Friday as part of our P.E. and Schools Sports programme. Pupils had an exciting day and really enjoyed themselves.
