## Cylchlythyr – Newsletter – 07.11.2025

Dear parents and carers,

It has been an absolute privilege to bring our second cohort of pupils over to Singapore this week for an action-packed school visit. Whilst the time seems to be flying for all of us, we have done so much since landing on Wednesday evening. Our pupils have enjoyed visits to the Gardens by the Bay, to schools and have been welcomed by the High Commissioner to his residence for a very special tour, presentation and afternoon tea! We look forward to a very busy few days over the weekend and into next week, before getting back into Gresford on Friday morning.

Creating opportunities like these for our pupils is only possible due to the fantastic team we have at school. Those coming along give up their time, seeing their families and their sleep to ensure the children with us are safe, having the best time and taking so much from the experience. Those staff staying at school demonstrate huge flexibility in ensuring everything runs as planned and that our children in school continue to receive the excellent education our school offers. I am incredibly grateful to the whole team for making this all possible.

Our focus is on Early Years this week, with some lovely learning taking place across classes and a few Singapore Snippets to show everything our second cohort has been up to! I hope you all have a lovely weekend.

**Diolch, Mr Hatwood**

## My Child at School (MCAS)

Thank you for your support in getting logged into the MCAS app. This system is vital for us to ensure we have the most up to date information about our pupils. Could we ask for you to log in to check that contact details, addresses and medical needs are all correct and up to date.

If these are not, you can request amendments through the app which we will then approve at school.

We are aware of a handful of cases who have not been able to log in yet. We have raised this with the provider and have requested a resolution. We will provide a further update once we receive it.

## Meithrin

Our Nursery pupils have been very busy this week, exploring in Forest School. Inside, pupils have created an owl collage in groups linked to the little white owl story. They then mixed colours with their hands and turned their work into owls by adding 2 eyes, cutting beaks and matching coloured feathers. They have done an amazing job!

## Addysg Gorfforol - Physical Education

Pupils in Reception have continued to explore their football skills as we approach the mid topic section of our lessons. In Year 1&2, they have enjoyed learning about the sport of Boccia working on their throwing and accuracy. Over in Year 3&4, we have enjoyed exploring lacrosse, a new sport to our curriculum we have been really impressed with children's attitude and perseverance.

Our Year 5&6 pupils continued with their learning in tennis, which has been the topic of choice. We have enjoyed following the Wrexham tennis open and have worked hard to develop our skills.
