A Voluntary Aided Church in Wales School

## Cylchlythyr – Newsletter – 15.05.2026

Dear parents and carers,

We are moving towards **Whitsun Half Term** (School closes next Friday for Half Term) at a remarkable pace. We have an awful lot of exciting activities and events still to come this school, and it is very pleasing to see pupils across the school engaging so well in their learning activities.

I would like to take this opportunity to remind all parents and carers that toys, **Pokemon cards etc are not to be brought into school**. Please do ensure your child leaves these things at home to ensure they do not go missing, get lost or are 'swapped' for other items which pupils may not end up actually wanting!

It was a pleasure to visit out **Year 6 pupils in London** on Tuesday, to see them so engaged and having such a positive experience was a highlight of the week for me. I would like to thank the staff who supported the visit for making it all possible, and those who stayed back in school for keeping things running smoothly.

Could we please ask for your support in **leaving the school site** as soon as possible after collecting pupils at the end of the school day. We need to ensure the site is secured for pupils accessing Teatime Club to play out, and we are not able to do this until everyone being collected has left the site. Thank you for your cooperation in this important matter.

As we move towards the Summer, please do ensure pupils come to school in the **full and correct school uniform**. We will be making contact where dress standards are not inline with our school policy, thank you in advancing for your support in this important area. We hope you have a lovely weekend.

**Diolch, Mr Hatwood**

### Blwyddyn 5&6 – Expressing Opinions

Pupils in Year 5 and 6 have been working hard in Welsh this week, learning how to express their opinions and to give reasons for their views.

## Blwyddyn 5&6 - Climate Change

Pupils in Year 5 have been working hard to continue our topic. They have been researching coastal areas in Wales and compiling notes about their chosen area. They have gathered information on tourism, hospitality, public services and transport as well as looking at data around the average monthly visitors and deducing which hotels are the best value for money. They have used this information to create a leaflet which will be shared with Year 6 as they return from their London visit.

## Blwyddyn 6 - London Visit

Pupils in Year 6 enjoyed a wonderful visit to London this week! They travelled down on the train before visiting Madame Tussauds, the key London attractions including Buckingham Palace and enjoying Hercules the musical! Before travelling back, pupils spent the morning at the Science Museum and took part in lots of exciting activities.

### Royal Mint Short Story Competition

We are incredibly proud of Harris who recently entered the Royal Mint short story competition 2026. Out of 4,750 entries, Harris is one of ten highly commended winners. His story is currently being printed into a book, and he has won a gold coin from the Royal Mint! We are all so incredibly proud of Harris, for his energy, creativity and for having a go!

### Blwyddyn 5&6 - Team Games

In Physical Education this week, pupils have been playing team games and practising for Sports Day. They showed great determination, particularly in dodgeball!

## Attendance and Punctuality

We have seen a dip in attendance and punctuality this week. Please do ensure pupils arrive at school on time, and that they attend school regularly. We do not authorise term time holidays, so please ensure holiday are booked outside of the school terms. The school works closely with the Educational Social Work Service where concerns around attendance and punctuality arise.
