Cylchlythyr – Newsletter – 19.09.2025

Dear parents and carers,

There has been an Autumnal feel to proceedings this week, with some cooler and wetter weather certainly on the way! Thank you for your support in ensuring pupils come to school in their full school uniform, or with the correct clothes for P.E. lessons and Forest School. It is always a pleasure to walk around school and see how motivated and engaged our pupils are in their learning.

I was really pleased to see such a positive uptake for extra-curricular clubs this half term, and to see pupils engaging so well in sessions. I would like to thank our staff for giving up their time to make these sessions happen, they are an additional offering and I know how much pupils enjoy the sessions.

This afternoon we are delighted to host pupils in Year 1 & 2 from Park CP, The Rofft and Holt CP for a football friendly. Coming together for such events takes a lot of organising from all sides and I would like to thank Mr George Morris for creating so many sporting opportunities for our pupils.

Next week, we welcome 4 delegates from our partner school in Iceland to school. They will be spending time in classes, seeing our learning environment and working with us to develop a resource for schools in both countries around wellbeing and outdoor learning. I hope you have a lovely weekend.

Diolch, Mr Hatwood

Blwyddyn 3 & 4 – Little Moreton Hall

Our pupils enjoyed a wonderful visit to Little Moreton Hall. They found out so much about Tudor life through exploring the rooms and grounds of this impressive building. They were a real credit to our school with staff and members of the public commenting on how polite and happy they were.

Blwyddyn 3 & 4 - Tudors & Stuarts

Even though we are only in the third week back at school, pupils have learned so much about the Tudor period of history so far including how the Tudors came to power following the Battle of Bosworth, their family tree and their place in British history. They are very excited for our battle re-enactment later this week where they will use their drama skills to act out the events that lead to Welsh man, Henry VII taking the throne from King Richard.

MacMillan Coffee Morning

We will be holding our annual MacMillan Coffee Morning on **Friday 26th September 2025** from **9.15 - 11.30am**. You are warmly invited to join us for this special fundraising event and we kindly ask for donations of cakes to sell to come to school over the days beforehand.

We will be making time for pupils to also purchase cakes during morning breaktime as part of our fundraiser. *Due to the capacity of our school hall and popularity of this event, pupils will not be able to join parents during the event.*

The Marathon of Hope was Terry Fox's inspiring cross-Canada run in 1980 to raise awareness and money for cancer research. After losing his right leg to cancer, Terry set out to run a marathon a day, every day, starting in St. John's, Newfoundland. He covered more than 5,000 km in 143 days before his cancer returned and forced him to stop near Thunder Bay, Ontario. Though he could not complete the journey, Terry's courage and determination sparked a lasting movement and today, millions of people around the world continue his legacy through the annual Terry Fox Run, raising billions for cancer research.

This year we are promoting the fun run to be held in Wrexham in aid of the Institute of Cancer Research here in the UK. It is a 5km run but you can walk as there is no pressure to compete. The main aim is to raise awareness of this particular charity. Last year we had the pleasure of hosting Terry's brother, Fred, to share the story of Terry and all that he accomplished in a short space of time: a very moving experience.
