Dear parents and carers,

It has been lovely to welcome everyone back to school this week for what has certainly been a colder, wetter and snowy week! I have been so impressed to see and hear about how well our new Early Education cohort have settled into life at All Saints' School and we all look forward to their journey through school over the coming years.

Pupils have worked hard across all classes, and have engaged in their new units of work well. I have enjoyed seeing the resilience displayed by our Year 5&6 pupils as they took part in bridge building challenges, and to see how well pupils have engaged across the school in their Physical Education and Forest School sessions.

We are working through the final few account activations for My Child at School, please do activate this if you haven't already as we will be using this platform to book Parent/Carer Evening appointments, to update pupil details and to pay/consent for school visits in the future. Thank you for your cooperation with this.

We look forward to our Mathematics & Numeracy Open Week next week, funded by the UK Government Shared Prosperity Fund. If you would like to attend with your child, please email communication@allsaints-pri.Wrexham.sch.uk. We hope you have a warm, and peaceful weekend.

Derbyn - Discovery Day

Pupils enjoyed our immersive discovery session. We received a letter from the Three Little Pigs asking for our help to build a wolf-proof house. The children explored the properties of sticks, straw and bricks to decide which would be the best!

Derbyn - The Three Little Pigs

Pupils in Reception have been busy exploring the best materials to build a house for the Three Little Pigs!

Attendance and Punctuality

Our attendance has been a little below where we would like it to have been again this week! Please do keep a big push on getting pupils to school on time and regularly. We are meeting with the school Attendance Officer from the Local Authority again for this half term and will be issuing attendance letters accordingly.
