## Cylchlythyr – Newsletter – 06.11.2026

Dear parents and carers,

We have had a wonderful first week back after October Half Term with so much excellent learning taking place across our classes. Pupils have returned to school with an **excellent attitude to their studies,** working hard, presenting their work well and developing those important reading skills.

Thank you for your support in ensuring pupils come to school in the **correct school uniform**. Hoodies are only to be worn on P.E. or Forest School Days and should not be worn on other days. I have been very impressed with standards of dress and presentation of pupils this school year, it helps create a purposeful working environment where pupils engage effectively in their studies.

As we have shared on SeeSaw this week, please do make sure you are aware of the School Attendance Policy and when trigger notifications will be sent. The policy is available on our school website. A 90% attendance rate at school equates to over one year of lost learning over the course of a pupil's time in primary and secondary school. Everyday really does count!

Next week, the school will be **inspected by His Majesty's Inspectorate, Estyn.** On Monday 9th November 2026 at 3.30pm, there is the Parent & Carer meeting in the Main School Hall. This meeting is for adults only, please do make every effort to attend. I hope you have a peaceful weekend, please do not hesitate to get in touch should we be able to help with anything at all.

**Diolch, Mr Hatwood.**

### Careers & World of Work Day

We were very grateful to the variety of industries, trades and organisations who came to our Careers & the World of Work Day on Wednesday. Pupils had the opportunity to engage with our visitors, learn more about their job roles and to ask any questions they had. We look forward to the follow up activities taking place following this very successful event.

## Mathematics – Blwyddyn 5&6

Pupils have been completing retrieval activities on a daily basis in mathematics. This supports moving learning from short term memory to long term memory, helping pupils to remember what they have learned.

## Parent & Carer Drop In Sessions

We are delighted to be offering a series of Parent & Carer Wellbeing Drop-In Sessions in partnership with Action for Children, led by Jayne, our School Therapist.

Each session will focus on an important aspect of family life, including developing healthy sleep routines, managing big emotions such as anger and worry, screen time and wellbeing, supporting friendships, building confidence and self-esteem, and coping with change. There will also be an opportunity for parents and carers to explore their own wellbeing and self-care.

The sessions provide a welcoming, supportive space to share experiences, ask questions and gain practical advice and strategies to support children's emotional health and wellbeing at home.

**There is no need to book, simply come along. We look forward to seeing you there!**

## Curling - Blwyddyn 5&6

This week marked the start of our new Curling unit of work! Pupils loved getting hands-on with the curling stones, exploring how to use the equipment safely and developing their control, accuracy and coordination when sending an object towards a target. We are looking forward to seeing their skills progress throughout the term.

## Bonfire Stay & Play Session

We were delighted to welcome so many younger children with their parents and carers to school on Thursday for our Bonfire themed Stay and Play sessions. It was wonderful to see you all, we hope you enjoyed the session.

## Attendance and Punctuality

Please do support your child to arrive on time There is a small number of pupils who arrive late regularly. Arriving late can cause children to be upset as they often miss the start of their lessons as well as our wellbeing activities which start the school day. We are now sending warning alerts where a pupil is late twice or more in any one week.
