YOUR FUTURE. YOUR CHOICES. YOUR JOURNEY.

Dear parents and carers,

It has been another very busy week at school as pupils have settled into their routines and learning. There has been so much going on, but also such a calm and organised feel across the school which is wonderful for us all to see. We had the pleasure of welcoming Father James, our new Bishop's Visitor, to school this week. We will be seeing more of Father James as he helps to further strengthen links between our school, the church and wider Diocese. We are all very excited to work with him in this important area.

We are busy planning our World of Work and Careers Day on **4th November 2026**. There is a link with this newsletter to sign up, should you, your company or organisation be able to come along to support us.

Thank you for your continued support, we hope you have a lovely weekend.

Diolch, Mr Hatwood

Deva Experience - Emails

Following our visit to the Deva Roman Experience in Chester, pupils worked collaboratively in groups to draft an informal email to Rob, thanking him for such a wonderful day. Working in small teams, they contributed to discussions, shared ideas and helped to plan and draft their emails. They then reflected on their work and made improvements to their writing using the Notes app. As part of developing their digital competence, pupils learned how to select, copy and paste text between different applications and how to add a hyperlink to their email.

Extra-Curricular Activities

Our excellent programme of extra-curricular activities will start on Monday, week commencing **14th September 2026** for pupil in Year 1 upwards. Please do ensure pupils are collected promptly at 4pm when the clubs conclude. (Unless otherwise stated on the booking). Clubs will run for the first half of every term. We look forward to seeing pupils engage in this wonderful programme and once again, I am very grateful to my team for giving up their time to deliver these sessions.

School Library

We had the privilege of welcoming the Mayor of Wrexham Councillor Jeremy Kent to school today to visit our new school library for pupils. It has been wonderful for our school librarian, Rhiannon, to start to welcome classes to use the facilities this week and we look forward to our pupils attending regular sessions in the library. Whilst we have opened the building to our pupils this week, we have a final few tweaks to make before we welcome you to our Open Week at the library to see the facilities first hand. We will share these dates very shortly, but we envisage them being late September/early October. We are delighted with how pupils have engaged in their initial sessions in the library this week and once again I would like to thank everyone who contributed books through our Amazon wish list.

Blwyddyn 1&2 - Fly over Iceland

As part of our Discovery Day, pupils got onboard the 'All Saints' plane' to Fly Over Iceland. They all loved the experience and enjoyed thinking about everything they will be learning as part of their new unit of work which has been developed as part of our partnership with Varmarskoli, our partner school in Iceland.
