Cylchlythyr – Newsletter – 18.09.2026

Dear parents and carers,

It has been another very busy week at school as pupils have continuing to settle into their new classes and routines. Groundwork has continued to offer a range of parental engagement sessions which started this week with Wellies in the Wood. Extra-curricular clubs also started this week, which has meant pupils could choose from a variety of exciting activities to participate in. Finally, we were excited to welcome parents, the Mayor of Wrexham, volunteers from the Miners' Rescue Project and residents from Ash Grove Care Home to our Gresford Mining Disaster Memorial Service, where our older pupils performed a play and song by the Declan Swans. Thank you for your continued support, we hope you have a lovely weekend.

Admissions

The **secondary school admission round** is now open, and parents and carers of pupils in Year 6 need to make applications for secondary school. Should you require any help or support, please contact the central admissions team within the Local Authority via on admissions@wrexham.gov.uk. Those pupils applying to attend a faith-based school and who require the Supplementary Information Form should contact the school they are applying for, or their local clergy directly for further information.

For children who turn three in the Autumn Term, by 31st December 2026, the Early Education admission round is now open and closes **23rd October 2026**. For children who turn 3 in the Spring Term, by 31st March 2027, the window opens on **2nd November 2026** and closes on **18th December 2026**. Please do contact us on playgroup@allsaints-pri.Wrexham.sch.uk for further information on applying to join our Early Years setting.

Gresford Mining Disaster 22nd 1934

The Gresford Colliery Disaster occurred on 22nd September 1934, just a few miles north of Wrexham, within North East Wales Coalfield. It was one of the most significant mining disasters in British history. Tragically, 266 miners lost their lives in the disaster, making it one of the deadliest mining accidents in British history. The event had a devastating impact on the local community, as many families lost their breadwinners, leaving them without a source of income and support.

Through our studies we remember all who were affected.

School Calendar

Please do keep up to date with all events and activities by subscribing to our school website calendar. We have populated all events for the year, and there is certainly a lot in store. By subscribing, you will keep up to date with any changes, additional events and have further details to sign up where needed. The calendar can be added to iPhones, androids and other devices. The school website has guidance on subscribing.

Extra-Curricular Activities

Our excellent programme of extra-curricular activities started this week. If there has been a change of plan and your child/children can not now attend, please could you let the school office as this will allow us to offer the place to another pupil. Please ensure that pupils are collected promptly at the end of their club and let the school know if someone different will be collecting them. Clubs will run during the first half of each term. We look forward to seeing our pupils getting involved in and enjoying these activities over the coming weeks.

Dosbarth Conwy During our Discovery Day, we launched our new theme, Our Place: Belonging, Light and Celebration, with a very special visitor who challenged us to find out more about our wonderful planet. We enjoyed sharing the book Here We Are by Oliver Jeffers and used Google Earth to explore different places around the world. We are becoming curious learners by asking questions, exploring new ideas and developing our independence along the way! In numeracy, we have been looking at repeating patterns and sorting objects.

MacMillan Coffee Morning

We look forward to our annual fundraising coffee morning for MacMillan on Friday 25th September. As usual, we would be very grateful for donations of cakes in the days before the morning, and we thank you in advance for your support. You would be very welcome to come and enjoy a cake and a drink with your child throughout the morning, staff will bring pupils from classes to the event on your arrival. All pupils will also have the chance to visit the Coffee Morning for a cake. We are asking for a £1 donation from pupils for this event to come in cash if possible. Thank you for your time and support of this important fundraising event.

Dosbarth Conwy

In RVE we listened to the Creation Story, we talked about how we need to work together to look after our wonderful world. We enjoyed playing a parachute game to find out about our similarities and differences. We have been looking at repeating patterns in our environment. We talked about what would come next if the pattern continued. Super work and discussion everyone!

In Numeracy, we have been exploring repeating patterns and sorting objects in different ways. We have been looking carefully at colours, shapes, sizes and other features, using our mathematical language to explain what we notice. We have enjoyed making our own patterns using a range of resources.

The sun has been shining again this week meaning our pupils could return to the Forest School in t-shirts and not rainsuits! In the session, pupils were invited to make their own autumn bracelets using the natural resources they could find in our forest school area. I am sure that you will agree that they look very good.

Attendance – Dashboard

We are delighted to have started the year with such positive attendance at school. Thank you for your support in this important area. There have been a few too many instances of pupils arriving late to school and we will be making early calls home where concerns in this area are arising. Thank you for your continued support in promoting great attendance!
