Cylchlythyr – Newsletter – 02.10.2026

Dear parents and carers,

The weeks certainly seem to be flying by as we head at pace towards October Half Term. The school year is now in full swing and there is certainly lots going on to keep us all busy! We are incredibly grateful for your support with our **MacMillan Coffee Morning** last week, now raising over £1300 for an incredibly worthy cause. Today, we look forward to our **Terry Fox Run** and are again very grateful for your generous support of this charity.

Our Leaders of Learning have been out and about in classes this week taking **Learning Walks** and it has been a pleasure to see their feedback. Pupils have been working incredibly hard, and I am so impressed with their progress even over a few weeks. Next week, we look forward to welcoming you to school for our **Language, Literacy & Communication Parent & Carer Workshops**. Times and dates for these have all been shared on SeeSaw.

We saw an incredible response to our **Parent & Carer Survey** and will be sharing our initial analysis of this over the next few days, celebrating successes and outlining our next steps as to how we improve our school further. Please do make sure all items of **clothing sent to school are clearly labelled** to help us to match any missing items to their owners and please ensure pupils come to school with a coat as the weather begins to become more Autumnal. Thank you for your support in ensuring pupil details are up to date on **MCAS**, your support in this area is greatly appreciated. We hope you have a lovely weekend and thank you for your continued support of the school and the staff.

Terry Fox Run – Friday 2nd October 2026

We are incredibly grateful for everyone's support as we prepare for the Terry Fox Run today. We are very grateful to Mr Morris and Miss Jones for organising this event and for sharing the inspirational story of Terry Fox with our pupils. Sponsorship will go to support the fantastic work of the charity.

Please keep an eye out on SeeSaw and our social media channels to see the photographs of pupils taking part in this fundraising activity.

World Sight Day - 8th October - Competition

We were delighted to welcome visitors from Hoya Vision Care to school yesterday to bring news of an exciting competition to raise awareness of **World Sight Day on 8th October 2026**.

To celebrate World Sight Day and raise awareness of the importance of good eye health, pupils will be taking part in a fun glasses design activity in school. They will decorate their own pair of glasses and learn why regular eye tests are so important.

There is also an exciting poster competition that can be completed at home. Pupils are invited to draw a picture of themselves in the future, doing something that makes them happy and helps them achieve their dreams.

Any entries should be returned to Miss Sedgwick by Thursday 8th October 2026 and must have your child's name, age and school clearly written on the back. We look forward to seeing the children's creative designs and future aspirations! 🕶️✨

Expressive Arts – Blwyddyn 3&4

Pupils have experimented with different materials to create mini shields this week. They have also been practising sketching skills; using their knowledge of symmetry to draw the other half of Janty Yates and Graham Sumner's shields.

H.E. Nik Mehta Visit

We were privileged to welcome the UK High Commissioner to Singapore to school on Friday last week as part of our ongoing cooperation with Singapore. It was a pleasure to show him our school and for him to meet with pupils and our staff.

Careers Day - Wednesday 4th November 2026

We are excited to be holding our Careers Fair on Wednesday 4th November and are looking for local businesses, companies, organisations, tradespeople and professionals who would be willing to come along and inspire our pupils. We want pupils to discover the huge variety of careers and opportunities available to them, from traditional professions and skilled trades to technology, engineering, healthcare, the creative industries, public services and many more. If you own or work for a business or organisation and could spare some time to host a stand, demonstrate your work, bring along equipment or resources, or simply talk to pupils about what you do and how you got into your career, we would love to hear from you. Please contact the school office if you or your organisation would like to take part.

Blwyddyn 3&4 - Mathematics & Numeracy

In Mathematics and Numeracy, pupils have started a unit of work on addition and subtraction. They used a wide range of manipulatives to help them understand what is happening when we add two numbers together.

Thank you to all our pupils, staff and families for making our clubs such a success!

Attendance - Dashboard

We are delighted to have started the year with such positive attendance at school. Thank you for your support in this important area. There have been a few too many instances of pupils arriving late to school and we will be making early calls home where concerns in this area are arising. Thank you for your continued support in promoting great attendance!

Attendance and Punctuality

Please do support your child to attend school regularly, and to arrive on time. Attendance has levelled out a little this week due to illness and term time holidays. A handful of pupils continue to arrive at school late. We will be following these cases up with calls home to arrange meetings to discuss how we can best support pupils to arrive at school on time.
