

Dosbarth Gwyrch Class Charter 2025/26

Respect – You will see; children and adults listening to each other and not interrupting, children and adults looking after their own property and that of others, children and adults working hard to keep trays, boxes, book corners and classrooms tidy, children and adults being respectful of other peoples beliefs, faiths and choices, children and adults not littering and keeping our school a clean, tidy place.

We will respect each other. We will respect our both school and personal property. We will respect nature. We will respect ourselves.

Friendship – You will see; children and adults believing in each other, children and adults telling the truth and being honest, children and adults sharing and considering others, children and adults accepting each other for who they are and not what people have, children and adults comforting each other and offering support, children and adults not leaving people out, children and adults thinking about what they say and how they interact, children and adults recognising how other people feel and making good choices based upon that, children and adults using social media responsibly.

We will be positive. We will forgive. We will think before we act. We will be honest. We will be kind and caring.

Care – You will see; children and adults keeping the classroom tidy and organised, children and adults caring for the things we have, children and adults caring for God's creations, children and adults treating others how they would like to be treated, children and adults caring for each other, children and adults caring for our local area and community.

We will care for ourselves. We will care for others. We will care for our environment. We will care for our school and all in it.
