

In our class you should see...

Happy learners,
Learners having fun,
Respectful relationships
Learners challenging themselves,
Good listening,
Work we are proud of,
Independent learners,
Learners working together,
Calm working in the areas.

We like adults in our classroom to...

Support and encourage us,
Speak in a calm and quiet voice,
To make learning fun,
Challenge us to get better in our work,
Talk to us quietly if we have done something wrong,
Help us and show us where we have gone wrong.

We like to learn...

In a calm, inviting environment,
In a calm room with our work on display,
Where we can get help and support if we need it,
Where we can use ICT,
To be given rewards when we are working hard and being kind
