| Gold Award badges                             | JS gave the HH their gold badges ahead of the rest of the school and explained that all other pupils will have them in September. It was suggested that a service to give these out would go down well in September.                                                                                                                                                                                                                                                                    | JF      | Complete       |
| Parent App                                    | Only TW has used the parent app at home. It was agreed that more of a push needs to be done on this next year.                                                                                                                                                                                                                                                                                                                                                                          | JF      | September 2026 |
| Section in new Library                        | Children loved the new books about feelings – It was agreed that we should ask Mr Hatwood for a section in the new library. We took the books to the library and Mr Hatwood has dedicated a section especially for books about feelings.                                                                                                                                                                                                                                                | HHs     | Complete       |
