Apologies: Mr Hatwood, Mrs Baker, Max and Emily

Agenda	Notes & Key Actions	Who?	When?
Welcome & Introductions			
Hot spots and grot spots	Children like the new build by the forest school. They are not keen on the toilets year ½ don't flush well. Library too small and messy put all the books together (fiction and non-fiction). Dining hall is very noisy, different table layout.		
Children in Need	25 for 25 theme. George and CC to set up circuits for each class to use for 25 minutes each. Each class will leave it ready for the next class (timetable to be sorted). For a donation children can come to school in PE clothing or non-uniform (sports clothes and possibly wearing something yellow) Information to go out on Seesaw and newsletter Mr Hatwood.		
Home school agreement	Children have agreed with the Home School Agreement and like the idea of it. We discussed that it includes the themes of our school and how we can use it positively.		
Any Other Business	Sheds outside on the playground are in need of some repair and tidying up. Like school dinners and the choices but we don't like the metal shelf used for trays- explained the need for something as it prevents children touching the food. More sports equipment at lunchtime.
