Agenda	Notes & Key Actions	Who?	When?
Welcome & Introductions	Children introduced themselves and the classes that they represent. Chair – Emily W Deputy – Charlie J		
Pupil Voice – Wellbeing, Safety & Behaviour	Children are excited to be part of the school council and eager to get involved. SHB explained it will be a busy year for us.		
School Houses	SHB explained that the three houses are going to become 4. This means we need to consider what 4 things we will become. Ideas from the council members include saints, churches, rivers, castles, parks, mountains, lakes and flowers. All excellent ideas which we can consider in more detail. Maybe lakes and mountains as a shortlist. The other colour for the new house suggested as green as then we have the colours of the Welsh flag red, white, green as well as keeping blue.		
McMillan Coffee Morning	Volunteers from the older school council members Emily and Charlie to help Mrs Edwards tomorrow.		
Wear Yellow for Mental Health Week	Suggested for beginning of October – see if we can wear yellow to mark the occasion and share some resources.		
Children in Need	SHB to request a fundraising pack for this year and we can discuss ideas for the school to be involved.		
Any Other Business	Suggestion from Saffy with regards to having a lost property box for infants and one or juniors. Saffy reports that there is a lot of lost property which is getting out of control.	SHB will refer to RH for maybe a
