

## Headteacher's Welcome

Hello and welcome to Darland High School. I am delighted you have chosen to join our community, and am very much looking forward to meeting you all in the summer term. Darland is a happy and successful school, and I am sure your child will thrive here as part of our family.

We provide a safe and welcoming environment where our students are at the centre of everything we do. We are committed to offering the very best education through enjoyable learning experiences. Since our opening in 1958, we have grown into a community of over 900, with 800 pupils and 160 staff members. Our dedicated team offer a wide curriculum that ranges through the faculties of science, mathematics, languages, creative arts, humanities and sports so no child will be left wanting. Our pastoral team work tirelessly with students to ensure each child is prepared and ready to learn. The most important relationship to us is the one built between school and home, where together we can most effectively prepare and support your child to achieve all that they can.

If you have any questions regarding transition at Darland please email [darland.transition@darlandschool.org.uk](mailto:darland.transition@darlandschool.org.uk)

Please read through this pack carefully, **complete and return all the 'green' pages to us asap**. Mr Owens - Jones, Associate Assistant Headteacher in charge of Year 7, will be in contact with primary schools to make the transition process a successful one.

We look forward to welcoming you at our transition evening in the coming term.

Kind regards,
