Cylchlythyr – Newsletter – 05.05.2023

Dear parents and carers,

We have had another short week at school with the Bank Holiday on Monday and another short week next week with the Coronation Bank Holiday. I had the privilege of taking our Year 6 pupils to London this week, they had a fantastic time and threw themselves into every activity with enthusiasm and confidence. There were many special memories to share, the highlight for many pupils being the Lion King musical and visit to the Houses of Parliament. We recognise that consistency in extra-curricular clubs have been a challenge recently in view of the numerous Bank Holidays and Staff Training Days. We have a solution to this and will be implementing a revised way of organising extra-curricular activities and will share this when the next round of booking for clubs open. I will advise on Class Dojo when this next booking round will open. I hope you all have a lovely weekend.

Diolch, Mr Hatwood.

Attendance and Punctuality

All schools in Wrexham have now adopted the Local Authority Attendance Policy. The school adheres to this policy to promote attendance and punctuality at school. Where a certain number of sessions are missed, letters are sent to advise parents/carers of their child's attendance and to offer support. Should further sessions be missed, a meeting with the Local Authority Attendance Officer will be held.

In cases where attendance remains a concern, the Local Authority can pursue a School Attendance Fixed Penalty Notice as a last resort.

As previously noted, following the Easter Holidays, the school will no longer authorise any holidays during term time and any requests for holidays during term time will be recorded as an unauthorised school holiday.

Thank you for your support and understanding in this matter.

Whit Half Term – Holiday Club

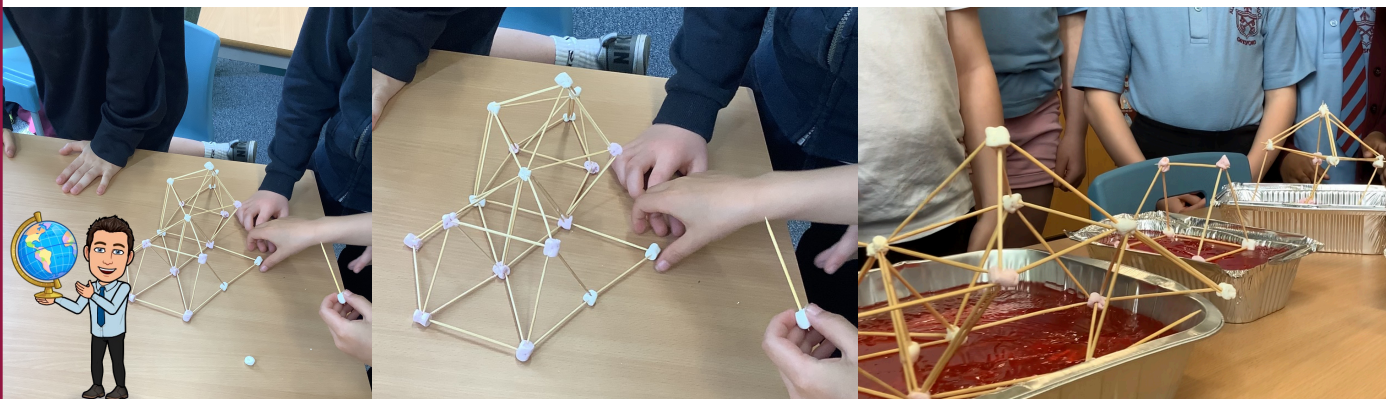

Bookings are now open for Whit Half Term Holiday Club and the staff training day after the holidays.

Extreme Earth – Year 3 and 4

Pupils in Year 3 and 4 have continued their unit of study focussing on tectonic hazards and how humans respond to life in volcanic regions. They have been busy exploring structures and finding which is the strongest to withstand earthquakes!

Mass and Baking in Year 1 and 2

We have been working on mass in Maths recently so pupils made crown biscuits for the Coronation. They had to weigh out their own ingredients and read mass using digital scales.

We had the most incredible visit to London with our Year 6 pupils this week. Our website has all of the photos, but a snapshot are shared below. I would like to thank the staff for giving up their time to make the visit possible and thank the pupils for their enthusiasm in making the visit such a success!

National Parks – Year 5

As part of their studies about National Parks, Wales and tourism, pupils in Year 5 have been busy using ThingLink to create an interactive map of Wales. Their maps have key features, whether these are human or physical and some key information. Pupils worked very hard on these and we look forward to them developing further as the unit of work progresses!

Attendance and Punctuality

We continue to focus on improving attendance and punctuality at school, you can see how each class has been doing in the table below.
