Cylchlythyr - Newsletter

Friday 18th November 2022

Dear parents and carers,

There has certainly been a change in the weather this week as winter approaches. Could we please ask that all pupils remember to bring a coat, with their name inside, to school. We continue to focus on our value of the half term which is 'Trust'. Our whole school and class collective worship all centres around this value.

All of our Christmas dates can be found on the school website and we will be sharing an overview newsletter next week for you with these dates on. Christmas Performance tickets will also go on sale for a small amount next week to help cover the associated costs. I hope you have a lovely weekend. Diolch, Mr Hatwood.

Shoe Box Appeal

Our School Council were proud to distribute our shoe box collections to 'Teams4U' this week. The staff at the charity were very grateful for the support of our community.

Family Learning Programme – Engagement

We are delighted to have launched our Family Learning Programme in partnership with the Local Authority as part of the Adult Community Learning Programme.

The programme is new and is something we will be sharing details of as activities are confirmed. We believe this offering is very broad and wide ranging and thank you for the many positive comments we have received around the offering already.

The programme was planned to commence in 2023, but we have been fortunate to secure a 2022 start for activities and as has been noted on the information posts regarding the programme, further sessions for other year groups will follow in due course.

Forest School Day

On Thursday next week, we are having a day to spend sorting, organising and developing our Forest School area. If you are able to come along and support Mrs Parker and Mrs Baker with this task, anytime between 9.15am and 2pm, you would be very welcome. Thank you for your support.

Attendance and Punctuality

Please do remember to report absence to 01978 852342 or attendance@allsaints-pri.Wrexham.sch.uk and not via Class DoJo.

Letters to notify parents and carers of their children's attendance are being sent out on a regular basis where attendance has moved below the expected thresholds. This is as outlined in the Local Authority Attendance Policy and includes absence linked to illness.

Thank you for your support in this matter.
