Pennaeth / Headteacher – Mr Richard Hatwood

Tuesday 18th October 2022

Dear parent/carers

At All Saints' School, we are committed to understanding the needs of all learners and supporting them with their unique experiences throughout education. One such group that we aim to support is children of Armed Forces personnel.

Our school recognises that the child of a Service family may at some point in their lives need support with their learning, settling into new situations and/or mental health and wellbeing, as a result of their unique circumstances. This could be due to mobility, deployment, separation, transition, education and/or social needs.

To effectively support our Service children and strengthen Wrexham County Borough Council's commitment to the Armed Forces Covenant, we hope to identify our Service children at All Saints' School. By identifying the number of Service children in our school, we can be proactive in understanding their needs, making support available and accessing funding if required. We can also work with Supporting Service Children in Education Wales (SSCE Cymru) to further develop our provision for Service children.

The SSCE Cymru mission is to provide the best possible educational support to Service children in Wales. SSCE Cymru works collaboratively with organisations across the UK to build an evidence base that impacts policy and systems. SSCE Cymru also provides a suite of resources to support education professionals and Service families across Wales, including Toolkits and tools, good practice examples, newsletters, funding guidance, a directory of support and films. SSCE Cymru has four Regional School Liaison Officers for Service children who can work with schools that have identified Service children, to develop knowledge, embed good practice and support access to relevant grant funding and training opportunities. **For further information, visit www.SSCECymru.co.uk**

Please help us to gain an understanding of our Service community by completing the below form and returning it to the school by 28 October 2022. Annually, we share the total number of Service children enrolled at our school with SSCE Cymru. In line with GDPR guidelines, all names and identifying characteristics of children will remain confidential.

Yours sincerely
