Re: Solihull Approach - Free online courses for residents of NORTH WALES:

Dear parents and carers,

It's been over two years since we launched the free online **Solihull parenting courses for families within North Wales area**.

To date, across Wales, 7804 learners have taken part, with 5,551 of these being from North Wales, which is fantastic!

These courses are appropriate for all parents-to-be, parents, grandparents or carers of any child from the antenatal period up to 18 years of age. These courses are relevant for parents of all children, including those with special needs, autism, ADHD etc. Within the attached documents are FAQ's and testimonials by parents who have completed the courses.

We believe that parents are their children's first and most important educators and we are delighted to share this growth and learning opportunity with you as parents and carers. These courses are **FREE** to all residents of North Wales with the access code **NWSOL**.

The licence is valid until end of October 2023 so please take advantage of this fantastic resource while you can. Once you have accessed the courses using this code you will have non-expiring access to the courses

To register go to www.inourplace.co.uk and apply the **NWSOL** access code:

- Understanding your pregnancy, labour, birth and your baby
- Understanding your baby
