### Cylchlythyr - Newsletter - 26.04.2024

Dear parents and carers,

We have had a very enjoyable week in school and it has been a pleasure to see the very hard work taking place across all of our classes. We were fortunate to welcome Eleri Vaughan Roberts from the Local Authority Welsh Immersion Service to school this week as we start an exciting collaborative project to develop Cymraeg across our school.

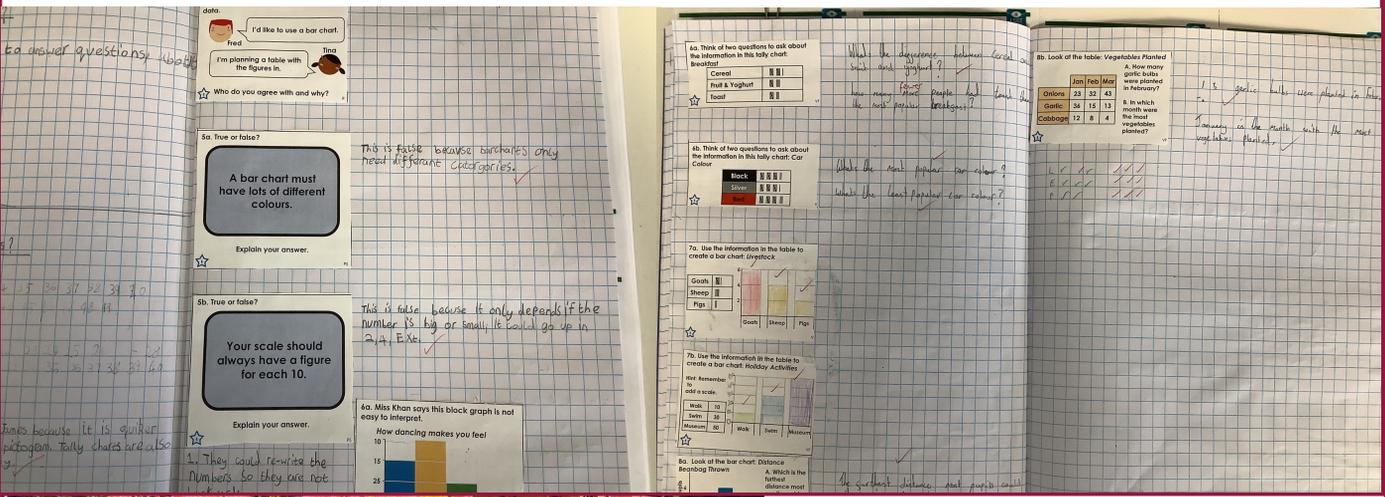

I am off site today and will be accompanying our year 6 pupils to London on Monday, Tuesday and Wednesday next week. We are all excited for this fantastic visit and I know the pupils will have a great time and make memories with friends that will last a lifetime. Should you require anything in my absence, please contact Mr Holmes through the school office. Next **Friday 3<sup>rd</sup> May 2024** is a staff training day and school will be closed to pupils, Holiday Club is open and bookings for this will close on Wednesday next week.

Thank you for your support regarding tying hair back, please ensure children come to school with long hair tied back at all times. I hope you have a lovely weekend. **Diolch, Mr Hatwood.**

### Blwyddyn 5 - Interpreting Graphs and Data

Pupils in Year 5 have been working hard to interpret and reason with data presented in graphs and tables.

### Earth Day 2024

It was a pleasure to choose a tree to add to our campus this week to celebrate Earth Day 2024. We have a special sign arriving soon to mark the spot it has been planted in. We are very proud of Harris for suggesting planting a tree to commemorate this special day!

As we look forward to our 150<sup>th</sup> anniversary next year, we will be launching a special project to improve the biodiversity of our school campus and take part in some re-wilding activities. Watch this space to find out more news of this exciting project from our school Eco Committee!

## Blwyddyn 1/2 - Mackintosh

Pupils in Year 1/2 have recreated the work of Mackintosh using outdoor materials in Health & Wellbeing and Expressive Arts this week.

## Blwyddyn 1&2 - Tally Charts and Data Handling

Pupils have been learning how to tally this week and turn data into different types of graph. We used a census of Gresford to tally ages of people and completed a traffic survey using a tally to record our findings.

### Year 2 - Year 3 Transition

As part of our upcoming transition process, and in addition to our usual transition days later in the year, we have arranged three short visits for our Year 2 pupils to visit the Year 3/4 classrooms over the coming weeks.

The visits will be for a period of 15 minutes on the following days:

Thursday 9<sup>th</sup> May 2024

Friday 17<sup>th</sup> May 2024

Friday 24<sup>th</sup> May 2024

We hope this will allow our Year 2 pupils to become more familiar with the Year 3 and 4 staff, classrooms, and learning environment in preparation for the upcoming main transition days. **Final classes for next year have not yet been arranged, so pupils will meet all three teachers during these sessions.**

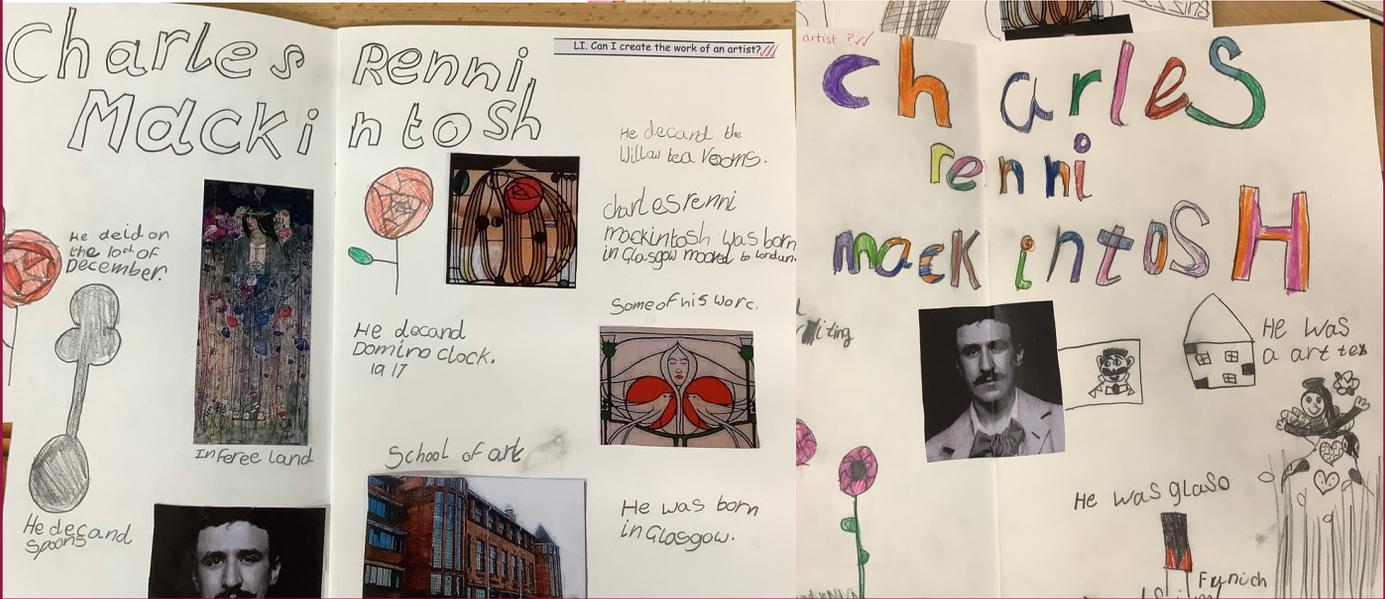

### Gymnastics Success

Esme and her gym partner Riley came first in their gymnastics competition in Newport. We are incredibly proud of Esme's successes and look forward to her future competitions! Well done indeed Esme!

### Blwyddyn 1&2 - Expressive Arts

In Expressive Arts, pupils have been finding out about the life and work of Mackintosh.

## Kellogg's Donations

We are very grateful to the local Kellogg's factory for their very generous donation to our school. We welcomed staff from Kellogg's this week to share their most recent donation - we are very grateful for the pallet of cereal donated!

## Football Success

We are incredibly proud of Alfie, Lucas and Haydn who have recently represented Wrexham in the Schools Football Association finals in Cardiff. They were excellent ambassadors for the school and the Local Authority and were a part of the team who won the Welsh Championships. We are already excited to see the boys' future successes and are delighted with their efforts so far!

## Attendance and Punctuality

We are now tracking punctuality using the electronic sign in system and have written to parents/carers where concerns exist. Attendance has been very positive this week. Thank you for your support in improving punctuality - we have seen a big improvement in this area.
