

Nursery Parent/Carer Questionnaire – Chwefror 2024

Questionnaire Statement	Parent/Carer comments	School Response
<p>How well has your child settled into Nursery education? (1 poorly, 5 highly successfully)</p>	<p>Average score – 5 / 5</p>	<p>We are over the moon to see how well parents and carers feel their child has settled into Nursery at All Saints' School.</p> <p>We are always keen to ensure the transition into school is a smooth one and welcome the open and regular communication with parents and carers as their child starts their educational journey at school.</p>
<p>What has worked well for your child since starting at school?</p>	<p>XXXX has really come on with counting and playing independently.</p> <p>XXXX loves her teachers and her drawing and colouring skills have improved a lot since starting nursery.</p> <p>The structure/routine of the morning</p> <p>XXXX loves all the painting and crafts and loves all the painting and crafts. He always sings us the songs he's learning.</p> <p>Nice reading and playing games outside. She likes P.E.</p> <p>Having Miss Williams come meet the children at the gate. XXXX loves walking past saying hello. Miss Williams is so helpful and fantastic when XXX is having a bad day.</p>	<p>It is a delight to read such positive feedback and to see how much you value the approach of Miss Williams and her team in school.</p> <p>The transition into school is a big change for all children and we are very pleased to see that you value the effort and work that is put into making the transition as smooth and successful as possible for our pupils.</p>

Nursery Parent/Carer Questionnaire – Chwefror 2024

	<p>How kind, caring and approachable the teachers are. The children in his class are also so lovely and friendly.</p> <p>The lovely welcome from staff in the morning.</p> <p>XXXX loves her teachers Miss Williams and Mrs Emberry, and I think it definitely helped with the fact that she attended playgroup last year and already knew quite a few children before starting</p> <p>Continuity with staff, structured P.E. sessions, lots of creative activities, time outside.</p> <p>Encouraging my child to be patient.</p>	
<p>What developments and improvements would you like to see in the outdoor spaces?</p>	<p>None. It looks fantastic</p> <p>Shelter if we need to wait out in the rain until they can go in at 9am.</p> <p>More forest school time and messy play.</p> <p>Parking issues.</p> <p>Very happy with the recent improvements that I have seen.</p> <p>Physical/climbing/balancing provision.</p>	<p>We are really pleased to see that you value the outdoor learning environment for the pupils.</p> <p>With the school being an old building, adding a shelter to the front of the school is a challenge for us, but is something that we plan to work on with the Local Authority in the near future. We are also working to develop the privacy for Nursery from the footpath and to ensure this is in-keeping with the historic features of the school.</p> <p>There is now a brand new balancing/climbing kit for Nursery which you will see pupils using over the coming weeks – we hope they enjoy the new resources.</p>

Nursery Parent/Carer Questionnaire – Chwefror 2024

	<p>I think the outdoor spaces are great, perhaps some extra privacy around the nursery play area would be good like you have on the other side of the school with the wooden fences.</p> <p>Gardening areas, focus on nature, lots of opportunity for movement and free unstructured play.</p> <p>I think it's well equipped for the children.</p>	
<p>What developments and improvements would you like to see inside the classroom?</p>	<p>None, XXXX loves playing with dolls and cooking</p> <p>None it's a brilliant classroom!</p> <p>None. It's great in there</p> <p>XXXX is shy, I am pleased that the teacher can talk to her more and help make her more confident.</p> <p>Not sure, would need to see the space again to be certain.</p> <p>I love their classroom; I can't say there's anything I feel needs improving.</p> <p>Lots of opportunities for unstructured free play.</p>	<p>Our Nursery classroom is always very active, busy and engaging and it is lovely to see your comments reflect this.</p> <p>We hope you will be able to attend our Stay and Play sessions in the Summer Term to see more of our Nursery classroom in action!</p>

Nursery Parent/Carer Questionnaire – Chwefror 2024

<p>Any other comments?</p>	<p>Can the nursery children be let into class at the same time as the other pupils? I.e. other pupils can go in at 8.45 am, Nursery need to wait till 9 am. This would especially be beneficial on cold/rainy days!!</p> <p>Thank you so much, XXX absolutely loves coming and we don't have a day that he doesn't want to come in</p> <p>It would be great to know more about what they're doing and learning, and anything we can be doing to support that.</p> <p>XXXX likes Nursery, thanks working so hard for the children.</p> <p>I really don't think anything needs to be changed. I think it is perfect and XXXX absolutely loves school now. So thank you so, so much.</p> <p>XXXXX is very happy to come to school, she loves her teachers & friends.</p> <p>Just thank you for being such a great school, I feel so lucky that my children attend such a forward thinking, positive and caring school environment.</p> <p>Thank you for all you do. XXXX has loved her first year. More regular access to forest school would be welcomed.</p>	<p>We would like to thank you for these lovely comments and are again so pleased to see how well you feel your children have settled into life at school.</p> <p>We look forward to continuing this positive relationship with you as parents and carers as your child moves up through the school.</p> <p>Pupils enjoy their regular Forest School sessions, and we are currently in the process of adding a new Forest School to allow us to develop this area further.</p> <p>As we move into the next school year, we take on board completely comments around drop off being later and will work to amend the times of our Nursery sessions through consultation to reflect this.</p>
