

**You told us the following things
about our Nursery class**

**Ysgol yr Holl Saint
All Saints' School**

You said ... 100% of parents and carers surveyed said their child settled in 'highly successfully' into Nursery education.

We did... we are delighted to see that every parent and carer who responded to our survey said their child settled into Nursery 'highly successfully'. We look forward to continuing to develop our transition offer further in the future.

You said ... that our Nursery staff were friendly, caring and support in their transition into school

We did... we are so pleased to have seen so many positive comments around the transition into Nursery from Early Education and Playgroup. We will be further enhancing this in the future and have lots of exciting plans!

You said ... that you loved the Nursery outdoor space and that your children enjoy the free-flow nature of Nursery!

We did... we have lots of exciting plans to make this space even better! We'll be adding growing spaces, new den making activity spaces and increasing shelter to give even more outdoor learning opportunities for our Nursery pupils.

**You told us we should work
on these things**

You said ... to trim the hedges in the carpark around the school site.

We will... We have had the hedges cut as soon as was legally possible due to nesting bird legislation. We have asked the contractors to cut later next year which should reduce the access issues encountered.
