Head Teacher - Mr Richard Hatwood			
Chair of Governors – Mrs Jane Tinniswood			

Dear Parents and carers,

It gives me great pleasure to present you with the annual report of the Governing Body of our school for the 2024/25 academic year. This has been a very successful year for the school and many things have been achieved, both in terms of pupil progress and wellbeing.

The school continues to move forward both in terms of the standards achieved and in the fabric of the building and wider campus. We look forward to the continuing to develop the school over future years to ensure a modern learning environment grounded in traditional values that is a centre point of the local community.

This report gives you a flavour of the work of the school and of the many people who contribute to its success. It also celebrates the work of the school in the wider community and gives me a place to thank everyone within the community who supports the school and enriches the offering to our pupils.

I would like to record my thanks to my fellow Governors who freely give their time and talents to the school, and also sincere thanks to Mr Hatwood and the staff of the school who provide such high-quality care, support and guidance to enhance the wellbeing and education of your children.

Thank you too, to you, the parents and carers of our pupils and for your ongoing partnership with us which benefits your children, the whole school and wider community.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Jane Tinniswood', with a large, sweeping flourish at the end.

Mrs Jane Tinniswood
Chair of the Governing Body

Meetings with Parents/Carers

Statutory guidance to the Governing Bodies of maintained schools in Wales regarding the duty to hold meetings with parents. (Guidance document no: 104/2013) The Schools Standards and Organisation (Wales) Act 2013 (The Act) removed the requirement for school Governing Bodies to hold an annual meeting with parents.

Instead, new arrangements were introduced to enable parents to request up to 3 meetings in any school year with a Governing Body, on matters which are of concern to them. At All Saints' Church in Wales Voluntary Aided Primary School, the Governing Body will continue to produce an annual written report to parents/carers and provide an opportunity for parents/carers to meet with Governors to present the report on request.

The Governing Body will also continue to communicate and engage with parents/carers over the school year via newsletters, Twitter notices or surveys as necessary. Governors may call an extra parent/carers' meeting if they believe that an issue which affects the school needs to be discussed. The school currently offers parents/carers the opportunity of three meetings per year to discuss pupil progress.

Periodically there are parent/carer workshops offered or meetings called to share new initiatives and give parents ideas on how best to support their child's learning at home. In addition we operate an 'Open Door' policy and parents/carers are encouraged to come into school or make an appointment with the class teacher or Headteacher to discuss any issues.

All Saints' Church in Wales Voluntary Aided Primary School, has a complaints policy and procedure in place; copies can be obtained from the school office or our school website. Further advice on how parents may go about requesting a meeting with a Governing Body is available on the Welsh Government's website at:

<http://wales.gov.uk/topics/educationandskills/publications/guidance/parents-meetingsstatutoryguidance/?lang=en>

Estyn

The school was last inspected by Estyn in February 2020 and was deemed as 'Good' in each of the five areas inspected. The school awaits its Section 50 Church in Wales inspection. The Estyn inspection summary is as follows:

During their time at the school, most pupils make good progress in reaching high standards in their writing, mathematics and Welsh oracy skills. Nearly all pupils behave exceptionally well and show a high standard of care and consideration for others. Staff promote pupils' cultural, social and moral development particularly well.

The promotion of shared core values is a strength of the school. The school has an inclusive ethos where all staff know the pupils well and provide high levels of care, support and guidance. Teachers plan a wide range of interesting and stimulating learning opportunities. As a result, pupils have very positive attitudes towards learning. This supports their development as independent learners and enables them to make good progress. The headteacher provides strong and effective leadership. A supportive team of staff show strong commitment to the school and its pupils. Staff engage with new initiatives well and work effectively together to develop the school as a thriving learning community.

Inspection area	Judgement
Standards	Good
Wellbeing and attitudes to learning	Good
Teaching and learning experiences	Good
Care, support and guidance	Good
Leadership and management	Good

The Headteacher and Assistant Headteacher have both been appointed Estyn peer inspectors and have undertaken several inspections over the course of the current school year.

School Development Plan

During the 2024/25 school year, the following priorities made up the School Development Plan:

- To secure further consistency in teaching and learning across the school.
- To revisit and revise planning for the development of literacy, numeracy and digital skills within the curriculum.
- To reduce barriers to learning for pupils with Additional Learning Needs and those from identified groups through effective tracking and a trauma informed approach.
- To support the transition to the new model of school improvement, inclusion and accountability through collaboration with local and wider stakeholders.

Further details and analysis can be found on the school website and is available on our School Development Plan summary from the main school office.

Clerk to the Governing Body – Ms Lisa Curley

Chair of Governing Body – Mrs Jane Tinniswood

C/O – Ysgol yr Holl Saint – All Saints’ School, School Hill, Gresford. LL12 8RW.

The Parent Governor was elected on 26th November 2024 and the next elections for a Parent Governor will take place in advance of 25th November 2028.

The Governing Body, under the chair of Mrs Jane Tinniswood, continues to work closely with the school in a range of strategic and supportive ways. There have been six full meetings of the Governing Body and sixteen committee meetings during the academic year 2024/25.

At these meetings Governors have considered issues relating to the upkeep of the building, accommodation, admissions, staffing, and allocation of allowances to teachers, finance, curriculum matters (including data) and Governor training. All statutory committees have met each term to discuss relevant matters and reported back to the full Governing Body.

Governors have taken responsibility for areas of whole school policies and curriculum areas. Mrs Jan MacDonald is the Governor responsible for Safeguarding and Child Protection; Mr Richard Hatwood (Headteacher) is the member of staff who also has responsibility for Child Protection. Mrs Jane Williams is the Governor responsible for Additional Learning Needs, Inclusion and Looked After Children.

Curriculum

The school curriculum is the culmination of all pupils’ learning experiences. It is all the planned activities that we organise in order to promote learning, personal growth and development. It includes not only the formal requirements of the Curriculum for Wales, but also the range of extra-curricular activities that the school organises in order to enrich the experience of the children.

Significant work has been undertaken during the current school year to build on the developments of the Curriculum for Wales which launched in September 2022. This includes

the further development of Planning and Reflection Journals and Discovery Days. The school has been represented on numerous national and regional working groups such as Headteacher Conferences and the Open University Partnership Board.

The Governing Body have reviewed and adopted the school Curriculum for Wales rationale which outlines the approaches used in curriculum design and implementation. This is available on the school website and is reviewed every two years.

Our curriculum also includes the 'hidden curriculum', or what pupils learn from the way they are treated and expected to behave. We aim to teach pupils how to grow into positive, responsible people, who can work and co-operate with others while developing knowledge and skills, so that they achieve their true potential. This is especially true being a Church in Wales Voluntary Aided School, our values-based approach is central to our school curriculum.

The recent development of the school International Strategy has been embedded across the school with staff and pupils accessing a range of engaging, innovative and enriching activities to develop their knowledge, skills and understanding.

School Data Report

The Welsh Government have removed the reporting requirement for school progress data for following implementation of the Curriculum for Wales.

Class Organisation

The school currently has 12 classes. These include three single aged Infant classes, three mixed aged Infant classes and also six mixed aged classes in the Juniors. During 2023/24, the breakdown of pupils can be found as follows:

We continue to engage with the Education Welfare Service with regard to supporting and managing attendance and punctuality. We follow a graduated response with regard to pupils who have persistent absence or lateness, which includes welfare support and use of Fixed Penalty Notices as a last resort.

Additional Learning Needs & Inclusion

Our Achievement and Inclusion Managers (ALNCo) lead provision and support for those who are identified as having an Additional Learning Need (ALN). The school engages with schools across the cluster to implement the Additional Learning Needs Act and Code and to support the implementation of Individual Development Plans.

During the 2024/25 school year, the teaching staff have worked to continue to develop the Universal Provision of the school across all curricular areas. The Achievement and Inclusion Managers have redeveloped the school offering on a 'Targeted Universal' and 'Additional Learning Provision' level. Learning Support Assistants are deployed across the school to support pupils in accessing 'Universal Provision', 'Targeted Universal' and 'Additional Learning Provision'. All conversions from Statements to Individual Development Plans were completed ahead of time and schedule.

An extensive range of interventions are in place to support a range of ALN, including Literacy and Numeracy, social communication and emotional, social and behavioural needs. Provision Mapping for pupils who have ALN is in place and the school uses the MIS to track pupil progress as they move through school both through year groups and through subjects. The school also works successfully with a range of outside agencies such as the Local Authority Inclusion Service, Educational Psychology Service, Child and Adolescent Mental Health Service and Speech and Language Therapy Services.

Accessibility

Ramps are situated in various parts of the school to allow access for all pupils; there is also accessible toilet provision for both adults and pupils who require this. There is complete access at ground floor level for all pupils and adults. The school has established an Accessibility Plan, Equalities Policy and Strategic Equality Action Plan. A range of school policies have been reviewed this year and have been reviewed in detail by the Equality Impact Committee of the Governing Body. The school engages with Children's Services as required for support/guidance relating to safeguarding and child protection.

Health & Safety

The school holds regular fire and lockdown drills (at least half termly). The Premises, Environment and Health & Safety Committee have been pivotal in providing support and challenge for the school leadership team in relation to ensuring compliance with health and safety legislation and procedures.

The Premises, Environment and Health & Safety Committee have also been instrumental in developing the Five Year Buildings Plan which has been fully supported by the Governing Body and Local Authority. The school continues to engage with the Local Authority and Diocese regarding this plan and have over the 2024/25 school year completed works to re-develop the roof of the older part of the school as well as enhance the security of the school site.

School Toilets

The school has plentiful toilet facilities for pupils and staff. Nursery and Reception pupils have access to toilets within their classrooms. These are all self-contained cubicles and these are mixed toilets for boys and girls. Year 1 and 2 pupils have separate toilets close to their classrooms and there are individual toilets for boys and girls.

Year 3 and 4 toilets have been recently re-modelled and re-furbished. Junior pupils have boys' and girls' toilets located close to their classrooms. The school also has an accessible toilet which also contains shower facilities. All toilets are cleaned daily and are part of the five-year building plan for complete refurbishment.

Welsh Government Language Category

Ysgol yr Holl Saint – All Saints' School is currently in Language Category 5 as classified by the Welsh Government. This category means that the school is a 'predominantly English medium school'. Although English is the main language of daily teaching and learning, there is a significant focus on the use of the Welsh language. This was recognised during the Estyn Inspection of the school in February 2020 where inspectors found that, 'most pupils make good progress in reaching high standards in their writing, mathematics and Welsh oracy skills'.

The school is actively engaged in the Cymraeg Campus Scheme and has close links with the Urdd entering several competitions and extra-curricular activities to promote the use of the Welsh language socially as well as academically. The school has achieved the silver level of the award and is now actively working towards gaining the gold award.

During the current school year, the school has commenced working with the Welsh Immersion Service of the Local Authority to develop Cymraeg across the school and across all curriculum areas. The Welsh Curriculum Leader has been successful in gaining a place on the Welsh Sabbatical for 2025/26 to further develop their Welsh language skills.

Extra-curricular Activities

The school enjoys a very broad offering of extracurricular activities, both during lunch times and after school. These have been exceptionally popular this year and have included clubs such as Drama, Team Games, Football, Netball, Cricket, Choir, Board Games and Science amongst others.

Pupils have had the opportunity to experience residential visits and this year pupils have been offered visits to Pentre-Llyn-Cymer (Year 4), Glan Llyn (Year 5), Nant BH (Year 6), London (Year 6) and Singapore (Year 6). Estyn found that, 'Many benefit from the school's wide range of extra-curricular activities' when they inspected the school in February 2020.

School Sports

The school has engaged well in a wide variety of sporting activities over the current year. These have included football, curling, bowls, netball, hockey, cricket and tennis. All classes benefit from dedicated sports instruction on a weekly basis and we enjoy strong links with local sports groups and the Local Authority School Sports Service. The school employs a full-time member of staff who leads Physical Education and School Sports across the school.

Promotion of healthy eating and drinking by pupils

The school catering team follow Welsh Government guidelines regarding providing a healthy menu. All school meals (hot and cold) are prepared on site and the catering team is managed by the Local Authority. All pupils are encouraged to bring a healthy snack to school and have access to water throughout the day. As part of the Universal Free School Meals, all statutory full-time pupils are entitled to a free school meal.

The school communicates the importance of healthy eating and drinking to pupils as part of the school curriculum. During the 2024/25 school year, the school continued to work successfully with the Local Authority Healthy Schools Service to develop health and wellbeing across the school as well as working regionally on the Emotional Health, Wellbeing and Resilience Framework for North Wales.

Community Links

The school enjoys strong links with the wider community. Visitors are regularly welcomed to the school to enrich and enhance both the curricular and extra-curricular offering. The Police School Liaison Officer also visits the school regularly and delivers sessions with pupils in all year groups. When inspected in February 2020, inspectors found that, 'There are valuable opportunities for pupils to engage in a purposeful way with their local community.'

Over the last school year, the pupils have attended services at All Saints' Church. Visitors to the school have included the local care home, members of the Miners' Rescue Centre and several local universities.

School Leavers

The majority of pupils leaving year 6 transition to Darland High School. In addition, in July 2024, pupils have also transferred to St Joseph's Catholic and Anglican School, Ysgol Castell Alyn and Bishop Heber School.

School Development Plan – 2025/26

To refine a shared understanding of teaching and learning approaches across the school.

To further enhance provision for equity, wellbeing and inclusion.

To secure a shared understanding of progression across the curriculum.

To develop arrangements to further support transition between ages and phases through collaboration with local and wider stakeholders.

With respect, friendship and care, we learn here and succeed anywhere
